Double Ottoman Bed in Silver with Premium Upgrade included

Ottoman bed

ADJUSTAMATIC
COMFORT YOU CONTROL

Ottoman

The Ottoman offers all the benefits of an adjustable bed yet with added storage.

The Ottoman offers an infinite range of adjustable positions, enabling you to experience ultimate comfort. It has a slatted base ensuring full support and can lift up to 22 stone in weight, so you can feel safe in the knowledge that it is extremely robust as well as comfortable and practical. The adjustable Ottoman is the only product of its kind in the UK.

With space in the home becoming a rare commodity, it is important to utilise whatever space we can. For a standard bed, under bed storage is common, but adjustable beds have mechanics underneath making any storage impossible. Therefore, we have developed our new range of adjustable beds with added storage to better suit you and your lifestyle.

Key product benefits

- Generous under bed storage
- Electric lift ottoman storage compartment
- Infinite range of adjustments
- Ease of use with a wireless control for electric lift for accessing ottoman storage at the press of a button.
- 22 stone lifting capacity
- 2 year guarantee
- Standard specification comes with a Coolmax Memory foam topped mattress and choice of strutted headboard
