# Heritage Classic

The Heritage Classic is the perfect collaboration of master craftsmanship alongside the newest developments in sleep technology.

Continually developed over the course of a generation, the Heritage Classic adjustable bed will help you find the point of comprehensive zero gravity support, aligning to the shape of your spine and delivering a feeling of near weightlessness.

Using some of the finest motors in the world, premium grade, low carbon steel frame, and a handcrafted base, the Heritage Classic has a traditional look using the finest quality, locally sourced materials.
